Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
2. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - 899 – DOCUMENTATION AND FILE REVIEW DOES NOT SUPPORT AN EMERGENCY IN ACCORDANCE WITH RULE 133.2

Issue

1. Did the requestor waive the right to medical fee dispute resolution?

Findings

28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the services in dispute is April 14, 2012. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on April 15, 2013. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307, subparagraph (B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.
